a division of Clothes That Work Mark's

LOTS OF SUPPLIERS PROMISE YOU UNIFORMS. BUT ONLY IMAGEWEAR DELIVERS A TOTAL SOLUTION THAT MAKES YOUR JOB — AND THE JOBS OF ALL YOUR EMPLOYEES — EASIER.

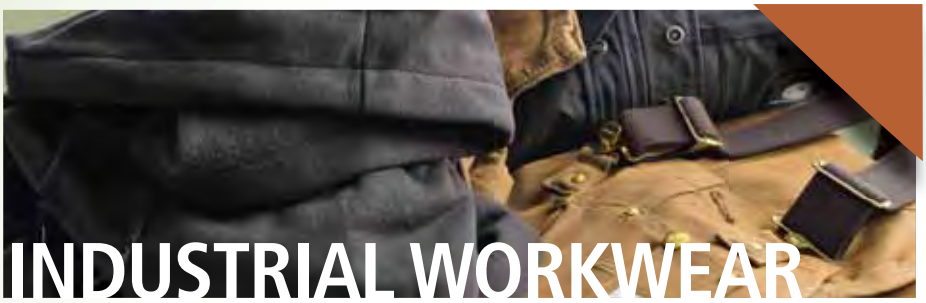

Welcome to our Spring and Summer solutions guide, which provides an overview of our many innovative services and flexible clothing options. One of the first things you'll notice is that we're even more committed to the continuous improvement process we've been implementing for the past several years.

For instance, as you turn the pages, you'll notice industrial uniforms are right up front, signaling the key role they play in Canadian companies, as well as the depth of our industrial selection and expertise. But please keep in mind that this guide is just a sampling of what we offer. To explore our full selection, talk to your Imagewear Sales Consultants.

As you'll discover on the following pages, clothing is just one aspect of what sets Imagewear apart. In addition to industry-leading items from Mark's, we can source uniform components from anywhere on the planet. Premier Canadian designer Simon Chang can custom design a look for you. And we'll embellish that look in-house, to ensure maximum quality.

Your people can do try-ons and pick-ups of any regularly-stocked Mark's products in hundreds of Mark's stores. And backing all this up is your dedicated team of Imagewear Sales Consultants who are just a call or click away.

WE TAKE AS MUCH CARE PROMOTING YOUR BRAND AS YOU DID BUILDING IT.

Imagewear can provide custom-designed looks and embellishment that are as unique as your organization.

Sometimes communicating the distinct personality and culture of an organization requires more than an off-the-shelf uniform. Imagewear's relationship with premier Canadian designer Simon Chang allows us to design a custom look that's yours alone. And to ensure your brand shines on every piece, we do the embellishment in-house to the highest standards of quality.
